

FAMILY File

www.hcpss.org/connect

Family File is the electronic format of the Emergency Procedure Card and can be found by logging in to HCPSS Connect. In the **Family File** section parents review and update contact information, medical considerations, privacy preferences, media release and directory distribution preferences. **Family File** information must be updated or validated each year.

LOG IN at HCPSS Connect

Parents can find Family File by first logging in to HCPSS Connect at www.hcpss.org/connect. If you encounter any problems logging in to HCPSS Connect or accessing Family File, please click the **green** help button  to request assistance.

HCPSS Connect

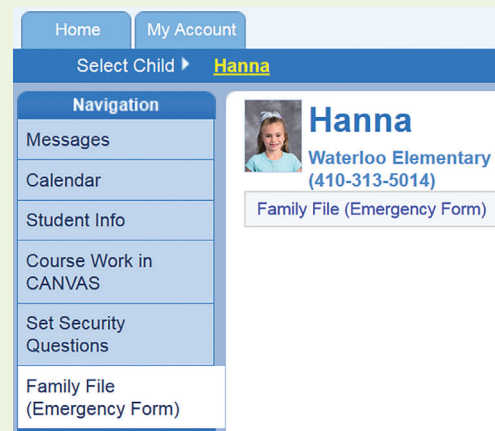

HCPSS Connect provides access to a variety of student information and classroom instructional tools offering personalized communication and timely, relevant, and easily accessible information relating to your student.

UPDATE Your Family File

Once logged in, parents should provide or update all of their contact information, medical considerations, and preferences.

For returning parents, some information that was entered last year will be pre-filled.

For assistance, please visit www.hcpss.org/connect or contact your child's school
