What will my child learn?

"What Your Child Will Learn" quides provide an overview of the instructional program for your child's grade, as well as student goals and expectations. The guides include information to help parents monitor and support their child's progress during the school year. Individual guides are provided for each grade level. The guide identifies the content covered in each curriculum area, categorized by subject, e.g., Language Arts, Science, etc. Find the guides online in Canvas. (The guides are available online only; print versions are no longer distributed.) Access Canvas through HCPSS Connect.

- Students from households that meet federal income guidelines are eligible to receive free or reduced-price meals. Those eligible for reduced-price meals pay \$0.30 for breakfast and \$0.40 for lunch. To apply visit: https://www.hcpss.org/food-services/farms/
- Student prices: Breakfast \$2.00, Lunch \$2.75, Milk \$0.50

Elementary Report Card Changes for 2019-2020

Beginning this year, changes to Learning Behaviors will be made to your child's report card to provide greater insights to parents/guardians. Detailed information about these changes can be found at https://www.hcpss.org/academics/learning-behaviors/

Technology Use in School

HCPSS permits students to bring personal technology devices to school for instructional or personal use, under the discretion of school administrators and teachers. Students will never be required or expected to bring a personal device to school. When an instructional activity is planned that needs access to individual technology, devices will be provided for use by students who do not have their own technology. At St. John's Lane, we ask that if your child brings a device to school that is remains off an in backpacks at all times. Health Room

Cluster Nurse: Florence_Hanssen@hcpss.org Health Assistant: Amv Leisner@hcpss.org Health Room Phone: 410-313-8705

Please make sure your immunizations are up to date and you provide this information to the health room. If your child needs medication, you must communicate this need to our health room and complete the necessary paperwork.

Transportation

Information about your child's bus assignments can be found by logging on to HCPSS Connect. You may also visit the HCPSS school bus locator. Bus times vary the first week. The children should follow their year long procedure

beginning the first day. Bands will be placed on backpacks on the first day of school. Please keep these bands on your child's backpack for at least the first week of school. Throughout the school year, students are only permitted to ride their assigned bus.

Car riders should not enter the doors in the morning until the morning bell rings. Children should remain in their cars until the bell rings at 8:35. Car riders are dismissed first in the afternoon. Please do not get out of your car in the loop for any reason or to assist your child. A staff member can assist as needed. To ensure our students are safe, please do not pass others and remember to be courteous to others.

Important Safety Reminders

- Emergency Information is collected online through the Family File. Please list contacts other than parents and update this information throughout the year as needed. We must have the most current information in the event of an emergency.
- Photo ID is always required if you are visiting school or picking up your child early.
- If your child arrives late to school, you must walk in and sign your child in.
- A written note must be given to your child's teacher after every absence.
- In the event of an emergency, there is a system-wide plan. Please do not call the school. Communication will be sent via email when necessary.
